Directorate of Administration
Central Intelligence Agency
Washington, D.C. 20505

1. We have received an outside request for release of the attached draft manuscript entitled The U.S. Air Force in Southeast Asia: The Advisory Years, 1950-1965. While we believe the manuscript is unclassified, it still carries Secret markings and must undergo formal declassification review before being released. Accordingly, please handle the study as if it were classified.
2. Some material in the manuscript discusses Central Intelligence Agency related activities. Therefore, we need your recommendations on whether or not this material can be declassified. If you think that a sentence or paragraph still requires security protection, please mark it or revise it to an unclassified form.
3. We would appreciate timely review and return of the manuscript with recommendations for declassification.
